

Dan

Who is Dan Stepanian-Bennett?

Dan makes Nationals star Bryce Harper feel like John McCain. Alex Ovechkin buys Dan vodka shots at Russia House. Dan can beat Obama in a game of one-on-one and then goes tanning with John Boehner (How bipartisan!). Capital Bike-Share is parked right outside Dan's house. The Metro is changing its slogan to "Metro Opens Doors... for Dan" Even while single-tracking on weekends. Dan doesn't wait in line at Georgetown Cupcake. ZipCar has a valet service... just for Dan. There is never any cutoff time for bottomless brunch with Dan. Dan makes the Dos Equis man look ordinary.

But the best way to describe Dan is a fun loving, easy going, guy who loves politics, Detroit sports and Bell's Beer. He enjoys Armenian cooking, DC-Zog sports, bike riding, golfing, fishing, hiking, cornhole, guitar, musicals and cheesy 80s movies.

So ladies, if you're interested you should bid. And if you're not interested you should still BID... No reason for two people to go home disappointed!
