

# Iboro

Iboro Akpan, born January 11, 1985, in Kingston Jamaica, it's been said every time he goes for a swim dolphins appear. If he were to give you directions you'll never get lost and you'll arrive at least 5min early. If he were to mail a letter without postage it would still get there. His blood smells like cologne. His hands feel like rich brown suede. His last charity auction he recall bringing in 13million. He's a lover not a fighter, but he's also a fighter so don't get any ideas. He can speak French in Russian. His charm is contagious vaccines has been created for it. He is the most interesting man in the world.
